MG government high school hala new

Matriculation

Jan 2017 – Jul 2019

Hack public school & college hala new

Projects

Library Management System (Window's Form Application)

- The Library Management System comprises three screens for Admin, Librarian, and Member, allowing functionalities like adding/removing books, adding/removing members and librarians. The system includes a login system for Admin, Librarian, and Member, and utilizes SQL Server for efficient data storage and retrieval. Users can also issue and return books seamlessly through the integrated database.
